About AKNUCE

The Adikavi Nannaya University College of Engineering, AKNU, Rajamahendravaram is a technical education institution that serves the students of combined Godavari Districts. The College aims to provide holistic development of the students through modern teaching methods and techniques. The College offers five branches of B.Tech (CIVIL, CSE, ECE, EIE, MECH), two PG courses (MTech & MCA) and one Ph.D program (CSE).

What is ADVIKA?

ADVIKA is an exhilarating extravaganza of innovation, creativity, and technical prowess, as we commemorate the exceptional contributions of engineers to the society. This year, we have put together a series of engaging and mind-boggling events that will leave you inspired and awestruck.

IntellectCon	Paper Presentation
Tech Brainia	Tech Quiz
Innovex	Project Expo
Tech Postera	Poster Presentations
IdeaNova	Presentation of idea with working Hypothesis
ArguTech	Debate
Picture Perfect	Short Film Making
